Rome, Italy (Europe)

A heady mix of haunting ruins, awe-inspiring art and vibrant street life, Italy's hot-blooded capital is one of the world's most romantic and charismatic cities. A trip to Rome is as much about lapping up the dolce vita lifestyle as gorging on art and culture. Idling around picturesque streets, whiling away hours at streetside cafes, people-watching on pretty piazzas – these are all central to the Roman experience. The tempo rises in the evening when fashionable drinkers descend on the city's bars and cafes for a sociable aperitivo (drink with snacks) and trattorias hum with activity. Elsewhere, cheerful hordes mill around popular haunts before heading off to hip cocktail bars and late-night clubs.

Santorini, Greece	Did you know that the whole complex of Santorini islands is still an active volcano (the same as Méthana, Milos and Nisiros) and probably the only volcano in the world whose crater is in the sea? Santorini is considered to be the most sought after place for a romantic getaway in Greece, since there are not many places in the world where you can enjoy	assets/images/01-greece.jpg	590	yes	DELETE	UPDATE
